Steven Johnson assistant chief of Milwaukee Police Department I do request Mr Johnson to be the new chief of Madison police department because he's coming from outside the department that's one thing between 2012-2015 Madison police department they were threaten my ex-wife when she immigrate to Wisconsin Madison in 2012 through Jordanian secret service them and the FBI and no one told me over 3 years and two officers in 2015 beat my 3 years old daughter and her eye and they still at work bad management luckily my daughter she did not become a blind I do request Mr Johnson and I do believe he's the best candidate to be the new Chief because all the other officers no one told me so they violate my daughter right and my civil right and the conduct of the Madison police department as they train them they did not care and this department a lot of officers violate my civil right include Michael koval and nobody the chief before him people in this department took advantage of their positions as a police officer Mr Johnson he's the best candidate for this position after my experience over here with all the officers still there is good people luckily but I do believe somebody from outside he have to be the new chief of Madison police department after all the violation that happened to me on my daughter and all the lawsuit 13 lawsuit I lost my life over here in this town they prevent me even from getting married they destroyed my life best and all this evidence Mr Steven Johnson he's the best candidate to this department I hope the fire and chief commission make the right decision based on all the feedback that I give them a lot of officers captains they were careless luckily me and my daughter we didn't lose our life here in this town good luck to Mr Steven Johnson to be the new chief of Madison police department
