Hello,

I am writing to request that you please support Alternative 2 at Luna's on South Park.

Many of us in the neighborhood are concerned that there will not be adequate parking at the new store.

Having convenient access to affordable food is vitally important to everyone in Madison. Having sufficient parking is essential to supermarket success; since Luna's will be the only full service supermarket in South Madison it is critical that they succeed.

Madison is making great strides towards becoming a more equitable City that serves all of our residents. Please continue this effort and support Alternative 2 to help ensure access for all of South Madison

Thank you for your time,
