

Friends Applaud Should be a Zoned as a Restaurant by the City of Madison

I, (name signed below), think that restaurant, Friends Applaud, should be allowed to operate at 1602 Gilson Street, Madison Wisconsin 53715. For the past year it has been an empty store front. I would much rather have a restaurant that serves, coffee, pastries, raclette, beer, wine and spirits. I would also like to see outdoor poetry performances, stand-up comedy and both amplified and acoustic live music between the hours of 11AM and 9PM performed on their back courtyard stage.

Want to help.

Friends Applaud Should be a Zoned as a Restaurant by the City of Madison

I, (name signed below), think that restaurant, Friends Applaud, should be allowed to operate at 1602 Gilson Street, Madison Wisconsin 53715. For the past year it has been an empty store front. I would much rather have a restaurant that serves, coffee, pastries, raclette, beer, wine and spirits. I would also like to see outdoor poetry performances, stand-up comedy and both amplified and acoustic live music between the hours of 11AM and 9PM performed on their back courtyard stage.
