Comments:

The sidewalk café listening session went well. We had 13 people attend. Operators expressed concern about café furniture having to come in and out, having pop-up tents in café's during special events, and being included in larger downtown special events such as Taste of Madison and Art Fair on the Square. They also expressed concern for safety.

Comments: With the assistance of IT the Art and Craft Vending application has been updated and will be used this season. All vendors must apply for a new license because of the number of changes made to the application. I have asked a few vendors to come in to test the system in real life.
