Hi, my name is Gurpreet Ghuman. I am the owner of Rocky's Liquor. I am writing today in favor of granting license to shaun sonacki (agenda number 3)

Shaun is a very good employee. He used to work as a stocker for me. Once the cashier position opened up, I gave him cashier position couple months ago.

I am not really sure what back problem flagged his license, but he is a very respectful person, he treats all the coworkers and customers with lots of respect. We never had any issues with Shaun and as far as I know, this was his first one and according to Shaun is his last misdemeanor. According to Sean, some charges have been dropped.

There are a few reasons that he should be given license.

- \* he comes on time to work. He is very punctual and he's very very hard-working.
- \* he is a very honest person. my cash drawer is always right when he works, if he needs anything, he asks.
- \* he does not have a drivers license and this place of work is very close to his house.
- \* he have some Minor disability, and working at my store is something he can do considering his disability. There are not many workplaces that will fit as an employment for Shaun with in walking distance. We also make sure that other staff do stuff that Shaun have hard time doing like going up and downstairs in the basement bringing inventory.
- \* he always card people he never sell to underage.

If Shaun's License got denied today. Sean will lose his job and there are possibilities, He can lose his apartment too. I request ALRC to grand license to him so that he can continue to make living and not to stress about the commute to work for some other kind of employment. Shaun also assured me that whatever happened that day will not be repeated again in his life.

Thank you
