Hi there,

I hope I'm not too late. I live in a low to moderate income housing co-op at 812 Jenifer St. We are in the middle of both a global pandemic and an explosion of police violence. We also had a deer run into our door today and shatter the glass, and a duck with a broken leg camping out in our front yard. This is all just to say -- I had very little notice around this particular issue and couldn't possibly have prioritized it among everything else.

I wanted to briefly say that I am **OPPOSED** to the current proposal for 817 Williamson Street. I'm not sure why it's being considered at all since it goes against several ordinances/standards for this area.

Please build some covered bus stop instead...!

Thanks,
