Cannonball Path Ph. 1 and Water Main - 2010
Contract #6133
Change Order No. 2

Item #1: Furnish and install 10" valves – Two 10" valves were installed on the existing 10" water main on Post Rd. of the direction of the engineer for testing purposes.

Item #2: Furnish & install 10" pipe – A portion of existing 10" main was required to be cut out and replaced due to item #1.

Item #3: Abandon curb box – An old curb box was discovered on Sandwood Dr. that was no longer in use.

Item #4: Additional directional drill – The directional drill had to be extended due to poor soil condition and the restrictions of the project.

Item #5: Additional 12" fittings were needed due to a conflict with storm sewer.

Item #6: Check dams were added for erosions control on Sandwood and Westview.

Item #7: Clear stone for the check dams (item #6).

Item #8 & Item #9: Due to the work in Grandview and the age of the pavement, it was required to grind and overlay the pavement on this street.
