SUBSITUTE Amendment No. 1

Agency: Miscellaneous Appropriations / Emerging Neighborhoods

Community Development Division/Community Resources

Sponsors: Alds. Bidar-Sielaff, Verveer, Rummel, Schmidt

Reallocate \$50,000 in funding for Miscellaneous Appropriations/Emerging Neighborhoods to the Community Development Division for Community Agency contracts. This \$50,000 plus the unallocated funding of \$200,000 that is included in the Executive Budget shall be used to provide funding of \$200,000 to the programs identified by the Community Services Committee (CSC) as the "B" list and to \$50,000 to restore to the 2010 funding level those A1 priority programs that the CSC recommended for funding in the 2011-2012 funding cycle, but at a reduction from the 2010 funding levels. (Please see attached table with the funding details.)

Recommended Program Area Goals and Priorities for 2011-2012

Children & Families

Services listed below are in priority order within each goal area.

Goal:

Ensure that children and their families have access to developmentally appropriate, quality, affordable child care. Assist and educate parents/guardians, child care providers and the community to prepare Madison's children for optimal growth and development.

High Priority:

- A1. Provide for the availability of affordable, stable, quality child care and/or elementary school-age care for low-income children with emphasis on full-time programming.
- A2. Provide access to education and resources for low-income parents/guardians to raise successful healthy children.

Intermediate Priority:

B1. Provide specialized training and consultation services for City of Madison accredited programs that strengthen the ability of child care staff to serve at-risk children.

Lower Priority:

C1. Provide professional development opportunities that improve the quality of child care in the City of Madison.

Remove family child care accreditation and child care data as "essential service" and put them in the Division Administrative Budget.

Adult Workforce Preparedness and Employment

Services listed below are in priority order within each goal area.

Goal:

Improve the opportunities for economic stability for residents encountering multiple barriers to employment including: criminal background and/or associations, language barriers, long-term poverty, lack of skills and/or formal education.

High Priority:

A1. Provide employment related services to unemployed or underemployed individuals who face multiple barriers to employment with a goal of obtaining and maintaining full employment. These services may include literacy and language skills, life skills, vocational/career guidance, pre and post employment services or employment support. Services may be community wide or neighborhood based.

Intermediate Priority:

B1. Provide services to Madison residents that provide education and literacy proficiency to acquire, maintain or improve their opportunity for full employment.

Seniors

Services listed below are in priority order within each goal area.

Goal:

Help seniors live as independently as possible, maintain/improve seniors' health and well-being, and reduce seniors' isolation.

High Priority:

- A1. Provide case management activities that help seniors live independently by connecting them to needed services.
 - A2. Provide volunteer-based home chore services that help seniors remain in their homes.

Intermediate Priority:

- B1. Support focal point agencies that provide information, referral and other services that maintain seniors' health and independence.
- B2. Provide services that improve seniors' health and connection to the community through recreational, educational, social, health and safety, multi-cultural and intergenerational activities, and volunteer opportunities. (agency referrals and special projects)

Lower Priority:

C1. Provide services that overcome the employment barriers seniors face.

Youth

Services listed below are in priority order within each goal area.

Goal:

Support youth to become successful members of their families, school, communities, and workplace through collaboration with the public school system and other key stakeholders.

High Priority:

- A1. Provide low-income middle school youth access to programs that complement inschool learning and development during non-school hours.
- A2. Provide life skills, vocational/career guidance, pre/post-employment support and job placement for low-income youth.
- A3. Provide low-income high school youth access to programs that complement inschool learning and development during non-school hours.

Intermediate Priority:

- B1. Provide culturally and/or gender specific programs for vulnerable youth that promote positive youth development.
- B2. Provide opportunities for juveniles who commit municipal violations to receive alternative sanctions from a peer youth court.
- B3. Provide opportunities for positive community engagement for youth at-risk of involvement in the criminal justice system.

Lower Priority:

C1. Provide access for low-income parents/guardians education, skills and resources to raise successful youth.

Domestic Violence, Sexual Assault, Crisis Intervention and Safety & Support

Services listed below are in priority order within each goal area.

Goal:

Provide crisis intervention and supportive services for victims of sexual assault, victims of domestic violence, runaway/homeless youth, and families in crisis.

High Priority:

- A1. Provide immediate direct services for victims of sexual assault or domestic violence.
- A2. Provide immediate direct services for vulnerable children, runaway and homeless youth.

Intermediate Priority:

- B1. Provide immediate support services for the prevention of abuse and neglect.
- B2. Provide assessment, referral and short-term services for children/youth that have experienced trauma.

Lower Priority:

C1. Provide education for the prevention of domestic violence and sexual assault.

Access to Resources

Services listed below are in priority order within each goal area

Goal:

Provide services to overcome barriers to the basic resources that increase self-sufficiency and improve the quality of life for the community's most vulnerable individuals. Basic resources may include: food security, housing, healthcare, employment and child care. Barriers may include: language and cultural accessibility, education, knowledge or awareness of services, transportation and past history with the criminal justice system.

High Priority:

A1. Provide culturally specific or targeted supportive services to members of low to moderate income and/or marginalized groups that increase access to basic services and resources and increase participation in community life.

Intermediate Priority:

B1. Provide systemic solutions which address barriers and improve access to services that meet basic needs for low to moderate income and/or marginalized groups.

These services may be targeted to serve a specific population, or a geographic area.

Neighborhoods

Services listed below are in priority order within each goal area

Goal:

Create and sustain healthy neighborhoods by supporting neighborhood facilities and programs which promote community cohesion, stability, quality services and efforts which build resident capacity, create sustainable partnerships and enable all residents to participate fully in their neighborhood and the broader community.

Higher Priority:

A1. Sustain and enhance the operation of neighborhood centers. Centers should be neighborhood focal points that are used by low and moderate income residents, and community groups, and should offer programming relevant to the neighborhoods they serve.

Intermediate Priority:

B1. Support programs and processes that promote and enhance opportunities for residents to be informed and engaged in decisions affecting their neighborhood and the broader community; increase leadership capacity of residents to effectively engage in neighborhood based issue identification, problem solving and advocacy; support programs that provide community mediation and/or create neighborhood mediators. These programs will be accessible to all residents including those of low and moderate income.
