I too attended the April 11 neighborhood meeting and participated in the discussion regarding this ALRC agenda item (<https://madison.legistar.com/LegislationDetail.aspx?ID=3912057&GUID=C274F50E-0303-4D14-A5D2-41D50F4262E5>).

The discussion went well and I have no concerns about approving the application as presented.
