Subject: Allied Area Task Force Recommendations

The Allied Area Task Force passed the motion to approve resolution No. 01962 with the following additions:

1. The scope of the plan will be more clearly specified through the RFP.
2. The consultant(s) will be required to hire residents to the greatest extent possible, especially for such activities as outreach and planning.
3. An Allied resident and/or resident Task Force member will serve on the selection panel for the consultant(s).
