**Subject:** ALRC Class B Combination Liquor Licenses for 4245 and 4265 W. Beltline Highway

In regard to the following:

ALRC Agenda, subtitle "New License –Public Hearing."

**#5 - Bernie & Tony's Back Door LLC, dba Bernie & Tony's Back Door**  
**4265 W. Beltline Hwy**, Agent: Thomas Caputo, Estimated capacity: 100  
30% alcohol, 65% food, 5% other

I strongly **oppose** granting a license for the following reasons:

1. Insufficient parking at and near the business establishment.
2. Interference with neighborhood street parking due to overflow parking from business establishment.
3. Noise disruptions due to vehicle and patron traffic in a residential area especially at bar time.
4. Noise disruptions with a planned outdoor patio area being located very close to private residential areas.
5. Past history of neglect with the building located at 4265 W. Beltline Highway.

**#8 - Faouzi LLC, dba Excalibur Bar & Grille**  
**4265 W. Beltline Hwy**, Agent: Said Jridi, Estimated capacity: 160  
60% alcohol, 40% food

I strongly **oppose** granting a license for the following reasons:

1. This establishment would cause increased vehicle and patron traffic in the area.
2. Noise disruptions due to vehicle and patron traffic in a residential area especially at bar time.
3. Prior legal history of Mr. Ahmed Faouzi, which includes his 6<sup>th</sup> offense for OWI, disorderly conduct, bail jumping, resisting/obstructing an officer, hit and run, harassment, eviction, etc. I do not feel he would be a good businessman in the neighborhood with this extensive legal record.

Thank you.
