Hi Mary-

I support closing the street. I like the concept of food carts. Thanks for contacting me. I have a neighborhood meeting and will not be able to attend the Parks Commission meeting. I am copying Eric Knepp, Parks Supt to let him know I support the East Side Farmers Market and want to make sure we create a successful event for vendors and your customers. I look forward to my first honey bee cake...

Yay spring is coming!

Dear Marsha,

I am writing on behalf of the Eastside Farmers Market Board to let you know we have applied for a possible street closure during market hours. Our initial conversation with the Parks Commission will be this Wednesday at their monthly meeting.

Our goal is to promote the market and to create a safer, more family friendly environment at our event. Please let us know your thoughts. We are in the feasibility stage of our planning.

We are also interested in hiring food cart services during market hours. Our vision is one or two food carts, focused on local food, vending each market day. This would be provided as a service to our customers.

Thank you so much for your time and consideration,

Mary, ESFM board member
