Dear Alders,

I wanted to pass on my comments to you regarding the My Buddies license application as I have other commitments tomorrow evening.

Essentially I am going to mirror the MPD position outlined below, that I am neither opposing or approving the My Buddies license application. The listed changes especially the elimination of live entertainment, agreed to by the My Buddies group have alleviated a great deal of my concerns. I have no problem with a "family restaurant operation" in this frequency vacant property.

Please feel free to share this with other ALRC members and contact me if you have any questions,

Sincerely,

Joe Clausius
