

Back-In Angle Parking 300 S Livingston Street

Madison's first installation of back-in angle parking is on the east side of the 300 block of S Livingston Street. Note the 4 signs, 2 (green circles) informing drivers that the parking is back-in and the time limits, and 2 with flags (blue circles) giving directions on how to park. See below for close ups of the signs.

Parking time restrictions and back-in requirement signs face the street to be visible to drivers traveling in both directions on the street.

Close up of back-in angle parking directions sign.
