Although I will not be able to attend the entire meeting on Monday, December 8, I would like to express my support for the project at 203 North Blount.

This project received unanimous support from City's Urban Design Commission to forward the project to Plan Commission for December 15th. The UDC approved the height, massing, and change in unit count.

This project will assist the City toward meeting the growing need for residential housing.

Thank you for considering my support.
Ralph Kauten
