Amy's Café and Bar would like to obtain an Entertainment License so that we may host an Open Mic Night for local musicians and also host local talent for special events.

We have people on the door for security and security cameras throughout the bar as well as the outside front of the building. There is a security camera monitor behind the bar so that the bartenders are always able to view all activities inside and out.

Obtaining an entertainment license will enhance the sale of late night food and drink at Amy's.
