Subject: Supporting e-mail for Richard O'Neill

I am a co-worker of Richard O'Neill at the Disability Determination Bureau. He is a dedicated worker and gives each case and claimant the attention they need. He is always friendly and makes his work a number one priority. I enjoy working with Rick and think he would do well in any position or career path he chooses.

Sincerely
Ingrid Muller

Subject: In Support of Rick O'Neill for Interim City Council Member

To whom it may concern:

I am writing in support of Rick O'Neill for Interim City Council Member. I am sorry that this letter is late but please accept it insofar as I was not aware of the deadline until today. I believe that Mr. O'Neill has the necessary skills and qualifications to make him a worthy candidate for the position of Interim City Council Member. First, he majored in Political Science and Public Administration in college. In addition, he has worked and provided service to the state of Wisconsin for the past 5 years. His background and experience in government gives him the necessary knowledge to be a successful city council member. Moreover, Mr. O'Neill has a deep passion for political issues and would bring a lot of creative ideas and new perspective to the city council. Finally Mr. O'Neill is a very responsible, hard-working and intelligent individual. I have the highest regard for him as do many people in the Madison community.

Please consider this worthy candidate for City Council member.

Thank you and kind regards,
Kari Scapillato
