Subject: Edgewater Hotel

Hello,

My name is Christopher Culver and I reside at 411 Wisconsin Ave. Last week I attended a neighborhood meeting at the Edgewater Hotel about the management agreement between the developer and the City of Madison in regards to the plans for the terrace. I discovered the public roof access of Edgewater hotel a month after I moved into my house on Wisconsin Ave in the Summer of 1995. Since then I have used the roof top regularly (even in the winter) and have only occasionally seen others there. The plan between the city staff and the developer for public access for the terrace is a good one. After the construction of the new terrace others will be able to use the terrace to relax, attend events, eat/drink, and enjoy the tremendous views that are available. The improvement of this public space will be great for me, my neighborhood and the city as a whole and I encourage you to support it.

Sincerely,

Christopher Culver
