SUBJECT: Agenda Item # 4, ID# 10233, License Renewals

The license renewal attachment to Agenda Item # 4 is 839 pages. With the current number of agenda packets being printed, that will add an extra 10,907 pages to the 6/3/08 Common Council Packet. The attachment will be available in the City Clerk's Office for review and I will also bring the attachment with me to each meeting that the Common Council will be considering this file. The attachment is available online at the City of Madison Legislative Information Center (you can access the attachment by going to the Common Council Agenda and selecting the file OR by doing a legislative file search for ID# 10233 and access the attachment). There is also a new link to the City Clerk's Website that allows to you lookup a specific liquor license by business name, holder name, or by searching an aldermanic district. You can access this link by going to the City Clerk's Website and select the following: Licensing Information, Liquor License Application, and finally Liquor License Lookup (located at the bottom of the page). This link is also attached to the corresponding legislative file for your convenience (ID# 10233).

You will not be receiving this attachment in your Common Council Packet. Thank you for your cooperation in this matter.
