Hello Meghan,

I just came across the proposed changes to the Food Vending site map for the capital square. I see these will be presented at the February 28th VOC meeting. I appreciate you following up with moving the 3 sites on this corner (F50, F51 and F52), per our conversations for our outside patio seating from last year.

As you know, removing the vendor sites from the corner of W. Main and Hamilton are critical for our business. Please let me know if there is anything else we should be aware of in this process, or if any action is needed from us to ensure the proposed changes are approved.

Warm regards,
