Subject: TLNA supports Pasqual's at Fyfe's

Mark Woulf and Tim Parks,

Please share this endorsement with members of the Plan Commission and Alcohol License Review Committee.
Thank you

The Tenney-Lapham Neighborhood Association (TLNA) Council on May 8 voted unanimously to support Pasqual's proposal for a restaurant in the former Fyfe's location, 1344-1356 E. Washington Avenue, including outdoor seating. The council is excited to see new life in this landmark building and also encouraged to see it occupied by a locally-owned business with deep roots in the community.

Sincerely,

Joe Lusson, president
TLNA
