Neighborhood Activity: Current President of Coventry Condominium Assoc., and
Vice President of Unity of Madison Church Trustee Board

Past Activities: CDBG Commission member 5yr City of Madison, Police and Fire
Review Board Member Madison, WI 5yr., Hilldale Neighbor Association Board
member, Hamilton Middle School PTO President, One of the Founders of 100
Black Men of Madison WI., United Way Board Banks Member., Big Brother Big
Sister mentor and several other committees and Boards.

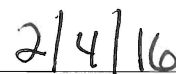

I would like to serve as Alderperson because I've always had an interest in local
politics. I've lived in the neighbor for over 15 years and know most of the
residents and the issues. I would like to work on solving the traffic, construction,
safety and density issues in the area. I was one of the Hillfarm's Gardner and is
well aware of the Hillfarm's Garden issue. I believe I'm a team player and would
love working on and solving issues for my neighbor and for the City.

What I would like to accomplish in this short appointment would be continue
building trust in City Government and show my constituent that I'm listening to
their concerns and needs.

I am not interested in running in the Spring 2017 election.
