

# WHAT MAKES A GREAT PLACE?

Project for Public Spaces (PPS) is a nonprofit planning, design and educational organization dedicated to helping people create and sustain public spaces that build stronger communities. Our pioneering Placemaking approach helps citizens transform their public spaces into vital places that highlight local assets, spur rejuvenation and serve common needs.

PPS was founded in 1975 to expand on the work of William (Holly) Whyte, author of *The Social Life of Small Urban Spaces*. We have since completed projects in more than 3000 communities in 43 countries and all 50 U.S. states and are the premier center for best practices, information and resources on placemaking. More than 600 people worldwide are members of our Placemaking Leadership Council.
