Dear Commissioners,

I live across the street from 1103 Jenifer Street and support both agenda items #3 and 4. It is logical to divide the lots that way and I support moving the house from 151 West Wilson street to the newly created lot next to 1103.

The one thing that I ask, which I am not sure if you have purview over, is that you require the decorative columns that the current owner of 151 West Wilson claims to have in storage be restored to the building once it is moved.

Sincerely,

Scott B. Thornton
