RE: Modification to McManners Employment Contract

Following recommendation for approval by the Board of Estimates, the Monona Terrace Board requested a minor modification to the employment contract between the City and Gregg McManners. Like other initial employment contracts, the contract with Mr. McManners included a provision regarding a 2 year probationary period. During this probationary period the Director serves at the pleasure of the Mayor and can be removed from the position at will by the Mayor. The Monona Terrace Board requested that the provision be modified to include language requiring consultation with the Board prior to removal. The Mayor agreed that this modification would be appropriate and section IV (B) of the contract will be modified as follows:

- B. For a period of two (2) years from the effective date of this Agreement, the Director shall serve a probationary period. During the probationary period, the Director serves at the pleasure of the Mayor and may be removed at will by the Mayor following consultation with the Monona Terrace Board. The Mayor will give the Director four (4) weeks notice of removal. Following the probationary period, and for any renewal of this Agreement, the Director may only be removed as otherwise provided herein.

This modification has no fiscal impact.
