ITEM Adult School Crossing Guards	
ID Number none	Council report back due date: none
OTHER REFERRALS AND ACTIONS TAKEN TO DATE: (Asterisk indicates lead agency.) none	
STAFF DISCUSSION OF ITEM: School Traffic Safety Committee requested a study for a new Adult School Crossing Guard assignment at the crossing of Ingersoll at Dayton. Traffic Engineering studied the potential assignment of an Adult School Crossing Guard during regular school schedule days in spring. Results of the study included in the attached worksheet and recommendations are based on the School Crossing Protection Criteria and Racial Equity & Social Justice Fast Track Tool.	
FISCAL IMPLICATIONS: None.	
MATERIALS PRESENTED WITH ITEM: Adult School Crossing Guard Worksheet and Racial Equity & Social Justice Fast Track Tool.	
STAFF RECOMMENDATION/RATIONALE: <ul style="list-style-type: none"> • Recommends to assign an Adult School Crossing Guard at the crossing of Ingersoll at Dayton. The intersection meets the minimum requirements of the School Crossing Protection Criteria and there are no potential disproportionate impacts on the community.
