Hi David-

I hope the Clerk's office also got this request? Copying Jim Verbick in the Clerk's office and the MNA Board, too.

Good luck with everything!

Marsha

Subject: Taco Local 811 Williamson Alcohol

To whom this may concern,

Our Alcohol License was approved on 7/14/2020. We have fought hard to get our restaurant built and ready for customers since then, however delays, product shortages and COVID related financial strain made it difficult to move forward in a timely way. Construction is about a week from completion, and equipment is starting to arrive, however I'm probably a couple weeks out from being able to schedule inspections.

I'm writing to request an extension to our deadline. I believe I'll be able to get inspected by the end of January, or early February. Thank you for your consideration.
