Dear Mr. Verbick,

We are writing to request an extension to our alcohol license issuance deadline. Because of the complexity of our construction project and the varying lead times of our subcontractors during high season, we are afraid that we may not have our inspections completed by the Sept. 5th deadline.

Your assistance in this matter is greatly appreciated. Please let us know if we may provide more information.

Sincerely yours,

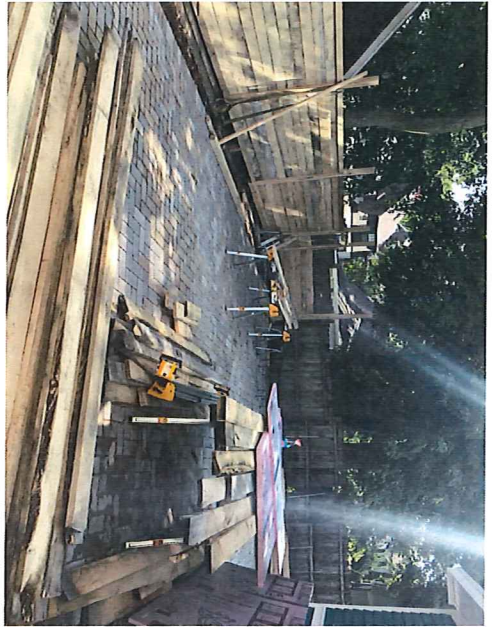

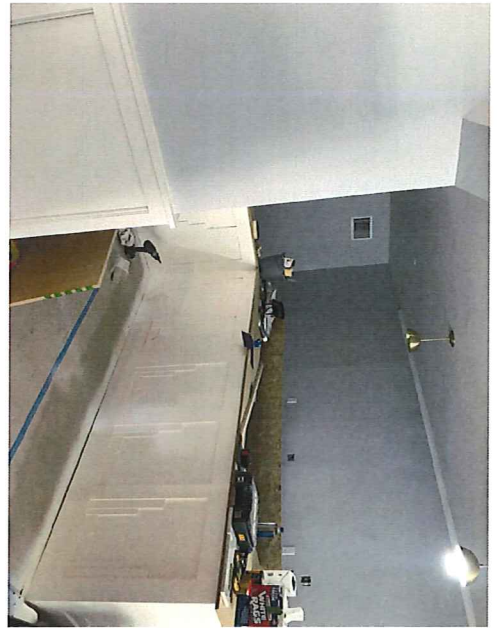

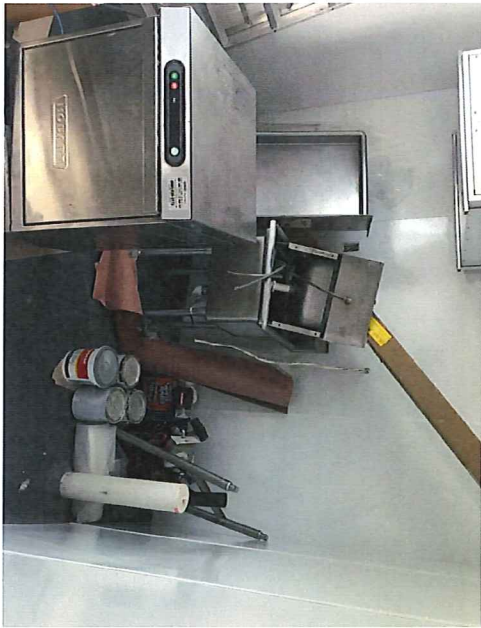

The Heights Kitchen LLC

Hi Evan-

We are booking about a month out for measure and install would be about 3 weeks from that date. Please let me know if you have any more questions.

Thank you-
Jeanie
