RE: ID 46972 | LNDCSM-2017-00018 – Certified Survey Map – 2510 Perry Street and 1002 Ann Street

Dear Mr. Blazek;

The two-lot Certified Survey Map of property located at 2510 Perry Street and 1002 Ann Street, Section 35, Township 7N, Range 9E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned CC (Commercial Center District). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Tim Troester of the City Engineering Division at 267-1995 if you have questions regarding the following four (4) items:

1. All outstanding Madison Metropolitan Sewerage District (MMSD) charges are due and payable prior to City Engineering Division sign-off, unless otherwise collected with a Developer's/ Subdivision Contract. Contact Mark Moder (608-261-9250) to obtain the final MMSD billing a minimum of two working days prior to requesting City Engineering signoff of the CSM.
2. The applicant shall show the existing private sanitary sewer easement across the west ingress/ egress easement as a condition of plan approval (private sanitary, Document No. 3237365). This easement was dedicated for a sanitary sewer lateral that serves 1026 Ann Street.
3. The lots within this Certified Survey Map are interdependent upon one another for stormwater runoff conveyance, and/or a private drainage system exists for the entire site an agreement shall be provided for the rights and responsibilities of all lot owners. Said agreement shall be reviewed and placed on file by the City Engineer, referenced on the Certified Survey Map, and recorded at the Dane County Register of Deeds.
4. A minimum of two (2) working days prior to requesting City Engineering signoff on the CSM the applicant shall contact Brenda Stanley at 261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service. All charges shall be cleared prior to the land division (and subsequent obsolesces of the existing parcel).

Please contact Tim Parks of the Planning Division at 261-9632 or Jeff Quamme of the City Engineering Division–Mapping Section at 266-4097 if you have questions regarding the following item:

5. Proposed Lot 2 has been approved as part of a site plan that includes unplatted lands to the south at 920 Ann Street. Both areas have common ownership. City ordinance requires subdividers to include all adjacent lands under the control of the subdivider. Therefore, the CSM shall be revised to include all additional adjacent lands under the control of McGanser Holdings LLC, and those lands shall be included as part of Lot 2. If the common boundary between Lot 2 and the parcel at 920 Ann Street is to change, a third lot may be required to be created, and/ or the approved site plans on file with the Zoning Administrator for 2510 Perry Street and 920 Ann Street may need to be revised to reflect the resulting condition.
