Letter of Intent

Vitense Golf and, located at 5501 Schroeder Rd, Madison, WI 53711 is seeking a Conditional Use to add to our Entertainment License to allow for amplified sound outside. Our intention is to allow for live music entertainment on our patios and beer garden during the spring/summer/fall months only during special events. Our typical hours of operation for our entire facility is from 8:30am- 11:30pm. Music would be played primarily in the early evenings but there may be some time that it would be in the afternoon. All music will end by 9:30pm.

We have 3 outdoor patios. Two of the patios are covered with a canvas roof and canvas sides. The patio in the Beer Garden is not currently covered. Each of our patios seats approximately 50 people and is approximately 1000 sq.ft. There will never be more than one performance scheduled in a day. There will be 5-6 staff members present specifically to manage the event.
