Amending Sections 28.151 and 28.211 of the Madison General Ordinances to create a definition and regulations for ATMs in the Zoning Code.

Drafted by: Maureen O'Brien

DRAFTER'S ANALYSIS: The zoning code does not specifically list ATMs as a use of land, and they do not fit within the definition of "Walk-Up Service Window" or "Vending Machine." This amendment makes them conditional uses in the DC and UMX districts, and permitted uses in the Mixed-Use and Commercial, Employment, Parks and Recreation, and Airport districts, and establishes supplemental regulations regulating their appearance which apply in the DC, UMX, LMX, NMX and TSS districts.

The Common Council of the City of Madison do hereby ordain as follows:

1. Section 28.151 entitled "Applicability" of the Madison General Ordinances is amended by creating therein the following:

"ATM.

- (a) In the DC, UMX, LMX, NMX and TSS districts, no more than one ATM may be installed per street frontage on a zoning lot.
- (b) In the DC, UMX, LMX, NMX and TSS districts, ATMs must be integrated into building design. Construction or modifications to accommodate an ATM shall be made in a manner consistent with the overall design of a façade.
- (c) In the DC, UMX, LMX, NMX and TSS districts, no storefront glass shall be removed to accommodate the installation of an ATM, unless the storefront glass is ninety- (90) degrees perpendicular to the sidewalk, and the ATM is being installed in an existing alcove.
- (d) In the DC, UMX, LMX, NMX and TSS districts, the exterior face, including any cabinet or casing, of an ATM shall not exceed eight (8) square feet in size."

2. Section 28.211 entitled "Definitions" of the Madison General Ordinances is amended by creating therein the following:

"ATM (Automated Teller Machine). Machine for dispensing currency and providing electronic transactions and services but not including the sale or provision of other products."
