I am writing in support of Julie Laundrie for interim alderman of the 13th district to replace Sue Ellingson. Julie is a vital member of our community and I think she would be perfect as alderman, temporary or otherwise and I fully support her nomination.

Thank you,

Subject: letter of support for Julie Laundrie

Dear Common Council:

I am writing a letter of support for Julie Laundrie, who is wishing to be chosen for interim alder for the 13th district, which is where I live. I have known Julie for 6-7 years. We met because our children were in the same classroom in elementary school. I have found Julie to be very passionate and knowledgeable about community events and local politics. She is invested in our community and seeing it thrive for all citizens. She has a strong sense of justice.

Thank you very much,

Re: Julie Laundrie

In our opinion, Julie Laundrie would make an ideal interim alder for our district. Julie is a fair, honest, intelligent and sincere member of our neighborhood. She has a clear understanding of political processes, the role of an alder, and the issues that are important to both this neighborhood and our city.

Thank you for considering our recommendation.

Subject: Support for Julie Laundrie appointment

Hello,

I am writing to express my support for Julie Laundrie's appointment as interim alder for Madison's 13th district. My family and I live on Vilas Avenue in the Greenbush neighborhood. We have known Julie as a neighbor and fellow bus stop parent for more than 5 years. We have always found Julie to be extremely personable, accessible and engaged. She is a positive force for neighborhood projects and initiatives, and brings a balanced, practical perspective to the challenges and opportunities that our neighborhood has faced and is facing.

I feel that Julie would be an excellent choice for this interim position, and strongly encourage you to consider her favorably.

Please feel free to contact me if needed.

Subject: Julie Laundrie for Alderperson

We are writing to endorse Julie Laundrie's application to fill out the term of Sue Ellingson as alderperson for the 13th ward. We have lived in our home at 1341 Vilas Avenue since 1978, and Julie and her family have lived next door to us for the past several years. She has been instrumental in the transformation of our neighborhood from a largely rental neighborhood, to a family-friendly and very involved community. She has been very active in her children's school and extra curricular activities, and we have been impressed with her knowledge of local issues. We very much endorse her for alder person.
