

## Public Hearing Notice

Extenet Systems, a Registered Utility, will install a fiber optic cable on sections of Post Road from the City Limit of Madison/Fitchburg (West of Leopold Way) to Irvington Way. Fiber optic cable will also be placed on Irvington Way from Post Road South for an approximate distance of 137 feet to an existing utility pole easement located on the West Side of Irvington Way. Most work will occur within the terrace way, and will start in August 2013 and be completed by December 2013.

Please notify us if you have physical limitations which will require special accommodations. A Public Hearing for this project will be held before the City of Madison Board of Public Works at 5:30 p.m. on Wednesday, August 21, 2013 in Room 108 of the City-County Building, 210 Martin Luther King, Jr. Boulevard.

Fiber Optic Cables will be installed along the corridor right-of-way. Work will be done by Gabes Construction in accordance with City standards and in compliance with a Permit to Excavate in Public Right-of-Way.

The surface restoration will be done upon completion of the fiber optic cables installation. The restoration will be done in accordance with City of Madison Standard Specifications.
