

Safe Streets Madison – 2023 Engagement

Safe Streets Madison Report recommendations:

- Degree and mechanism for public involvement should be commensurate with the scale, impact and type of project under consideration.
- Expand community outreach efforts to connect more fully with residents across all sectors of the City to help achieve the program priorities in a fair and equitable manner.
- Engage with Neighborhood Resource Teams, Alders, neighborhood contacts to identify serious traffic safety concerns and where people do not feel safe walking/biking.
