Subject: Support for Perennial Cooperative

Dear Kevin Firchow,

I am writing this email since I am unable to send you a hard copy letter to meet the deadline.

I am writing to share my support for the relocation of Perennial Cooperative into the Bridge Lake Point Waunona Neighborhood. I believe that having a co op housing option in the neighborhood will help diversify in housing options and enrich the culture of our community as I understand the coop will bring a diverse group of residents to the neighborhood.

I am a resident/homeowner on Lake Point drive and I see this integration as an enormous benefit to our community.

Please feel free to contact me for any further questions.

Sincerely,

Elsa Caetano

Subject: Perennial Co-op Hoboken road

I'm writing to express my support for the potential Co-op on Hoboken road. As an 8 year resident of the neighborhood I believe this would greatly enhance the stability and community in this neighborhood. I have met a few of the folks involved in the project and believe they would be a wonderful addition to the neighborhood.
