SECURITY PLAN

KAVANAUGH'S CATERING WILL BE ENGAGED PRIMARILY WITH CUSTOMARY WEDDING ENTERTAINMENT, INCLUDING LIVE MUSIC AND DJ'S.

Kavanaugh's Catering places the utmost importance on maintaining a controlled and safe environment to ensure the safety of both staff and attendees. In house personnel will be appropriately positioned throughout all event areas which are open to guests (including restrooms) in order to monitor and quickly identify concerns. Providing additional security will be required of event hosts when the size or circumstances of an event make it necessary. In the event of an issue personnel will immediately take action to resolve security threats while strictly adhering to the guidelines, rules, and regulations set forth by the city of Madison and will not hesitate to include Madison Police Department upon first sign of threat to public safety or existence of an unruly patron. We are not only committed to the swift resolution of security issues but in their prevention and will firmly take an active role in eliminating the factors which are most commonly involved when dealing with threats to security.
