

# Bus Stop Updates

## McKee & Fitchrona

Route D2 will be rerouted from Fitchrona and Nesbitt to Kapec Road north of McKee, closing stops 4828, 4713, 4132, and 4649, removing stop 4379, and moving stops 4984 and 4541 south to McKee and Kapec. A new stop pair will also be added at McKee and Manchester to improve access to destinations east of the route.

# Metro Transit August 2025

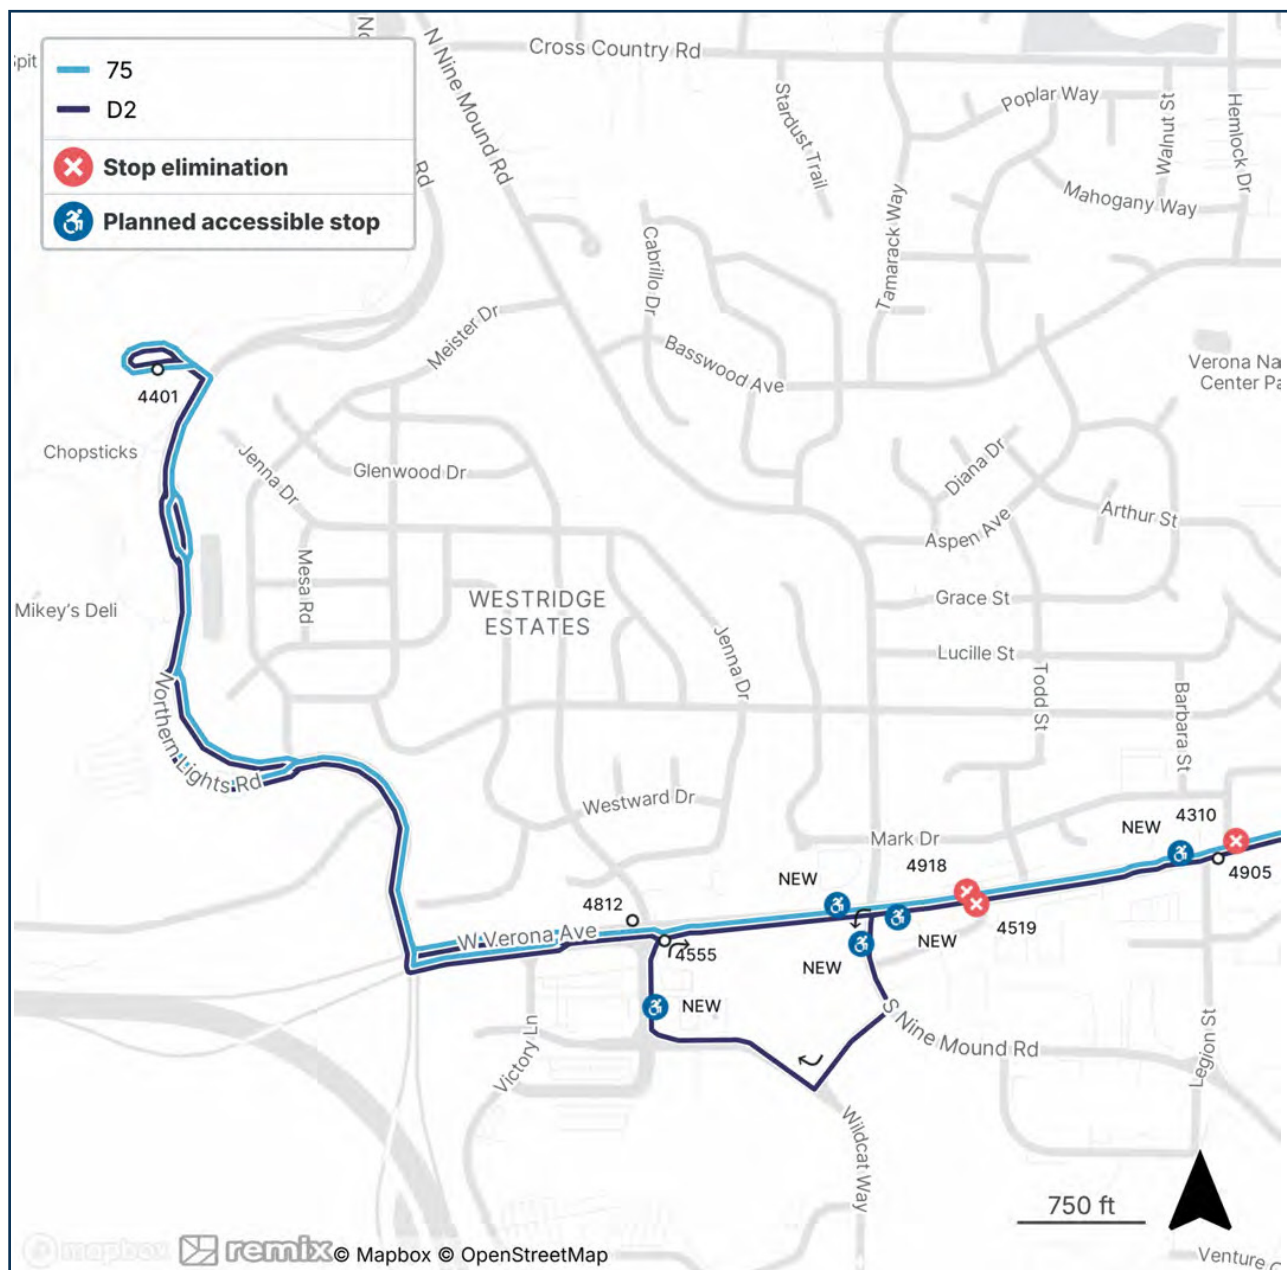

## August Service Change Proposal in the Fitchrona/Nesbitt Area

					Average April 2025 Ridership, Route D2		
ID	Stop Name	Direction	Planned Status	Google Walk to Closest Stop	Weekday	Saturday	Sunday

4201	Fitchrona at Hy-Vee	Westbound	Retained		23	17	18
4510	Fitchrona at McKee	Eastbound	Retained		1	1	1
4616	McKee at Fitchrona	Westbound	New Existing Route 75 stop added to D2	1 minute from FR/McKee Stop (improvements planned)			
TBD	Kapec and McKee	Eastbound	New Proposed Stops				
TBD	Kapec and McKee	Westbound	New Proposed Stops				

# Bus Stop Updates

## West Verona

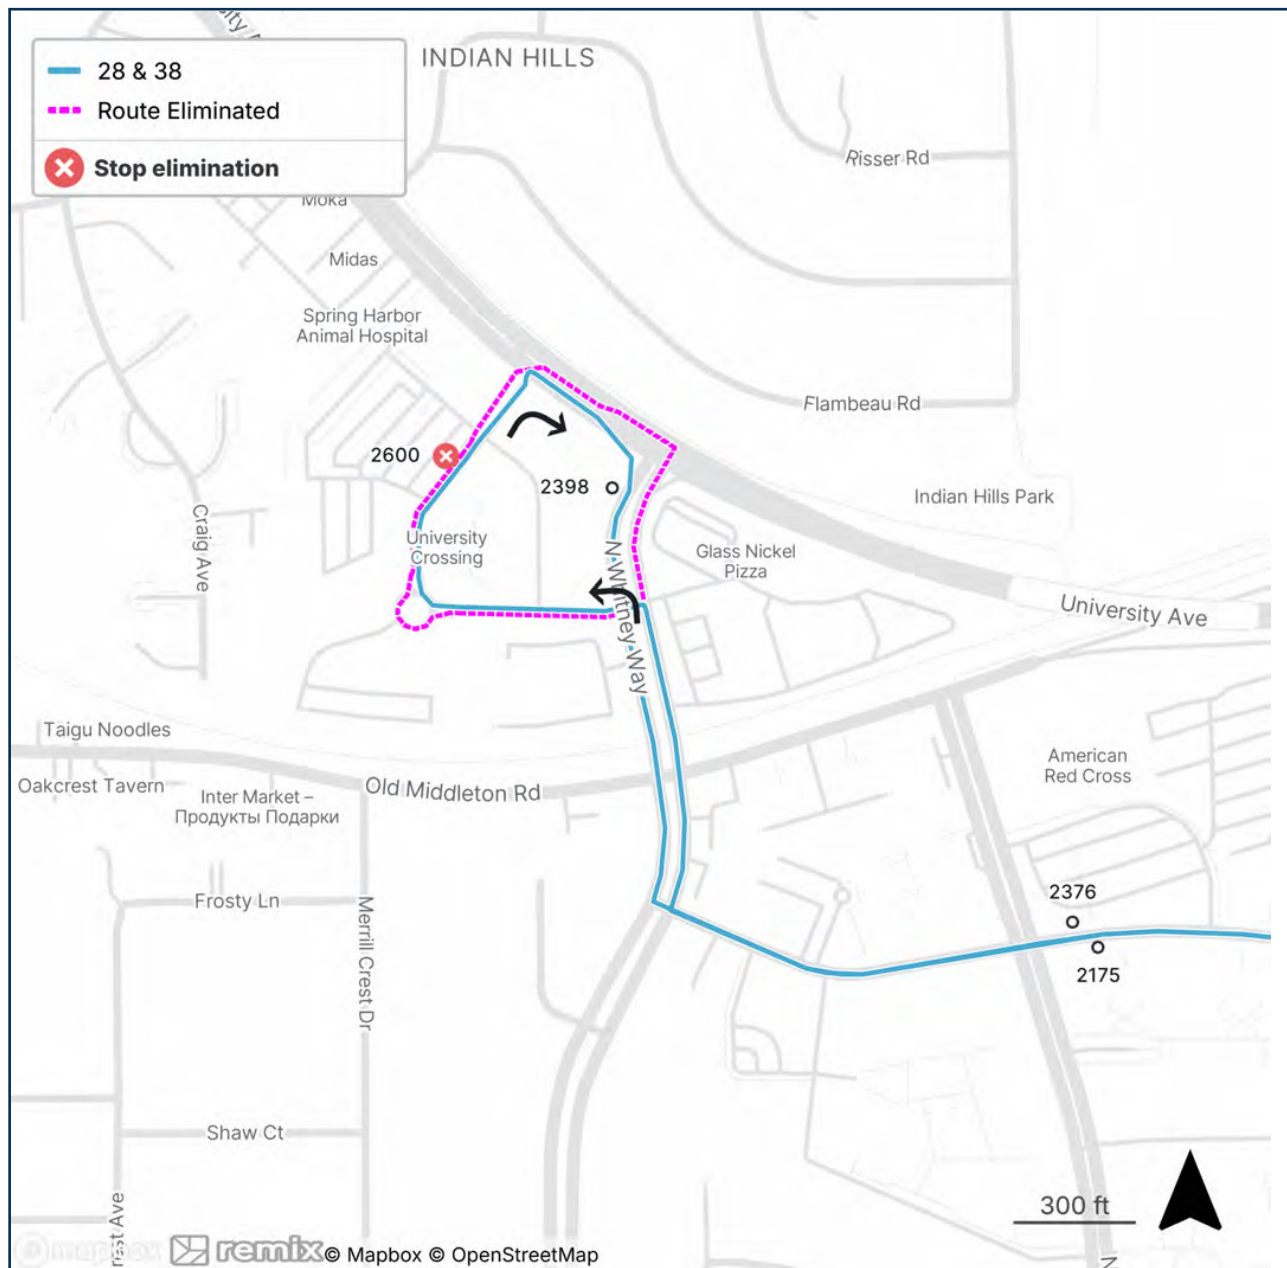

Proposed to close stops 4519 and 4918 at Verona Avenue and Todd Street, and move them to Verona Avenue and Nine Mound, with a new end-of-line stop at West End and Wild Cat Way for Route D2. Stop 4310 would also move to the far side of Legion Street, where a new traffic signal is planned.

# Bus Stop Updates

## University Row

Due to a development project, stop 2600 will be closed. Routes 28 and 38 will use stop 2398 instead, with Metro changing the loop direction to improve service and reduce left turns.

## Bus Stop Updates

# Packers at Manley

To help improve on-time performance for Route B, stops 5228 and 5433 are proposed to be closed. This change supports the upcoming North-South BRT project.

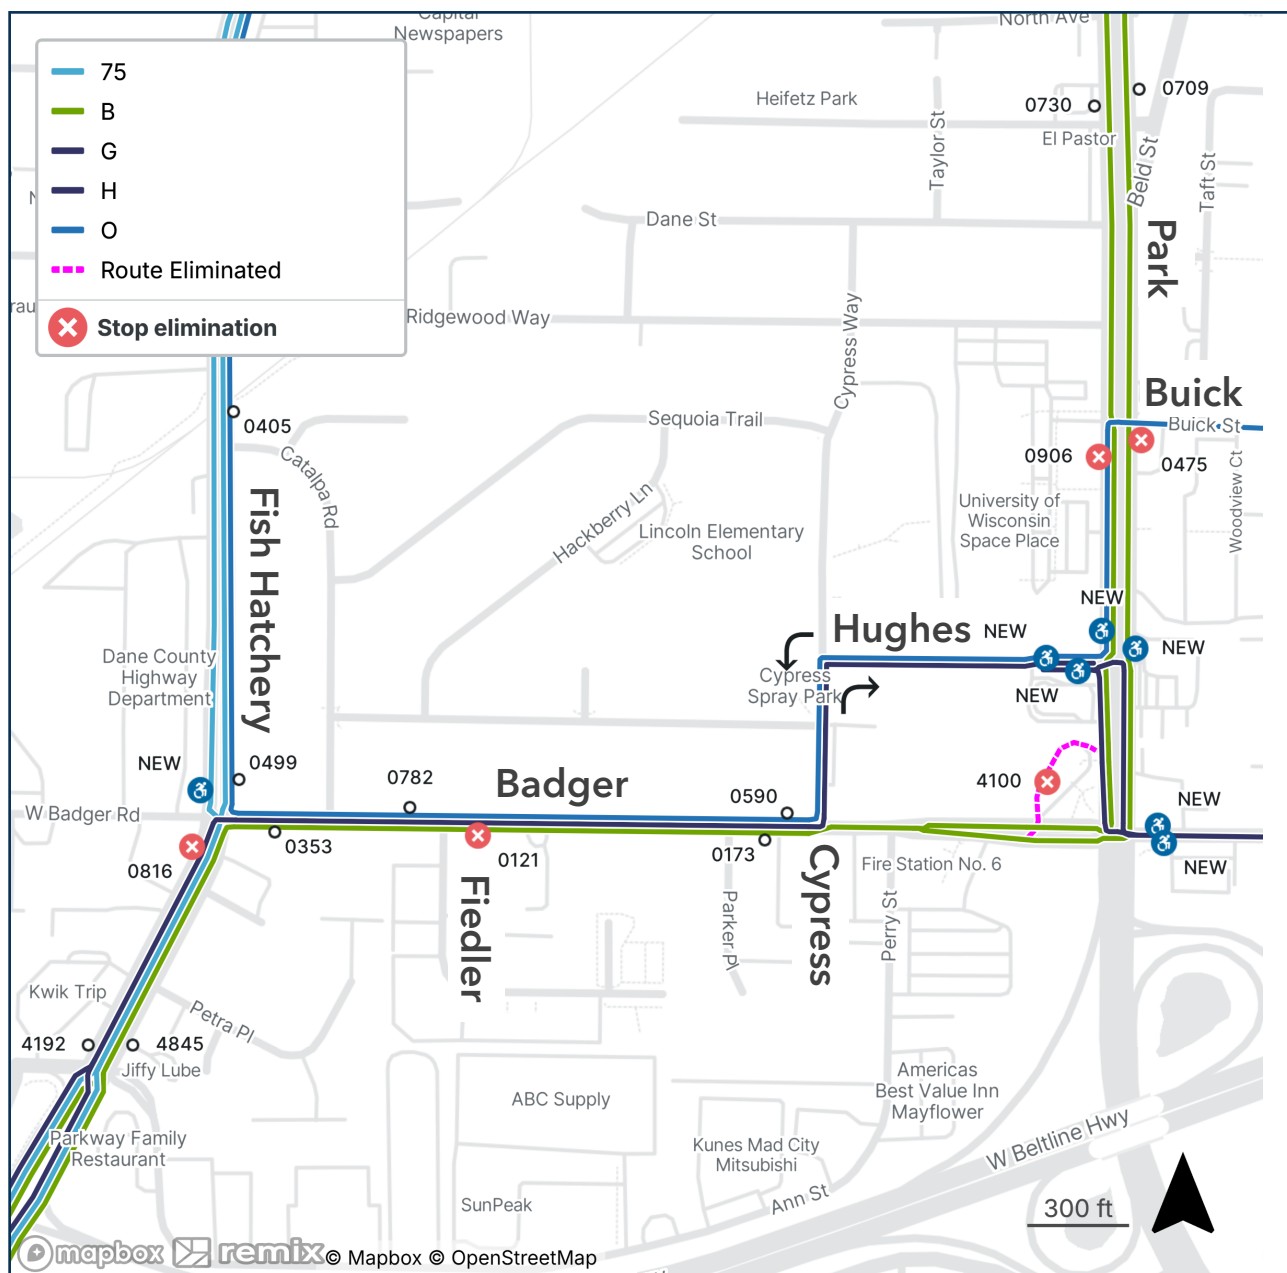

# Bus Stop Updates

## South Transfer Point

The South Transfer Point will close in December 2025 due to the Park Badger redevelopment project. Metro plans to move several bus stops, including those for Routes B, G, H, O, and 75, to nearby locations, improving Route B's on-time performance and supporting the future North-South BRT project.
