To whom it may concern,

I applied for a bartending license about four weeks ago. I wasn't sure if I should put pending charges on my report, but I have taken a plea deal on a second OWI that was back in February. I am looking to meet with someone/ get this resolved as soon as possible. My sentencing for the plea deal is set for August 4th, 2025. Thank you again.

Re: Application for Change of Conditions to Class B Beer and Wine License  
Premises: 1331 Greenway Crosse, Madison, WI 53713

Dear Licensing Staff:

I am writing on behalf of my client, Paco's Tacos LLC, doing business as Paco's Tacos (the "Licensee"), which holds a current Class B Beer and Wine License (No. LICLIB-2019-01230) for the premises located at 1331 Greenway Crosse, Madison, WI. As the Licensee's legal counsel, I am submitting this application to request a change in the conditions of the license pursuant to the City of Madison's alcohol licensing, where outlined in the Code of Ordinances Chapter 38 and related guidelines.

The current license conditions restrict alcohol sales to no later than 10:00 pm Sunday through Thursday and midnight on Friday and Saturday. The Licensee seeks to amend these conditions to permit alcohol sales until 2:00 a.m., Monday through Sunday. This proposed extension aligns with permissible hours under Wisconsin Statutes § 125.32(3) for Class B retail licenses and is intended to better accommodate the Licensee's restaurant operations for events and retail sales during open house, while maintaining compliance with all public safety and nuisance prevention requirements. The Licensee has reviewed the potential impacts on the surrounding community and is committed to responsible service practices, including adherence to beverage server training mandates.

Enclosed for your review and processing are the following:

- Completed Change of Conditions application form (REV 09/2018), including a description of the proposed changes, licensed premises information, company details, and authorized signature.
- Check in the amount of \$25.00 payable to the City of Madison to cover the application fee (shall be mailed or paid by phone if the City prefers).

Hello,

I am commenting on Item 20, legistar 88503, a new license in my district.

My understanding is this site already sells beer, and is only seeking to add wine to their license. Although this is already a highly dense area for alcohol access, I don't believe the addition of wine sales at this site substantially increases risk of negative consequences to the neighborhood.

However, I do want to note this site is directly adjacent to a housing complex that serves a number of vulnerable members of our community, including young children, so I want to be clear that this site needs to have staff who are trained and devoted to selling only to people of legal age who are not visibly inebriated, and commits to not selling outside of the legal hours of Class A sales. I realize these are requirements of all sellers, but want to emphasize the importance of these rules being closely followed at this site.

Thank you.

Best wishes,

Hello,

I am commenting on Item 20, legistar 88503, a new license in my neighborhood for the 7-Eleven. I am commenting as an individual and not as a representative of the neighborhood, although I am president of the Regent Neighborhood Association.

This site already sells beer, and is seeking to add wine to their license. This is a highly dense area for alcohol access and I believe the addition of wine sales increases risk of negative consequences to the neighborhood. When is enough enough? Madison (and Wisconsin) are already widely known to have an alcohol problem!

This site is directly adjacent to a housing complex that serves a number of vulnerable members of our community, including young children. Not to mention is in an area filled with bars and alcohol sales.

Additionally, the money for purchases at the 7-Eleven goes out of our community and into the **pockets** of an huge, multi-national **corporation** and we are left with the negative consequences.

Thank you.

Dear ALRB Members:

I am commenting on Item 20, legistar 88503, OPPOSING a new liquor license for the ill-managed 7-11/BP Gas Station at the corner of Walnut and Old University. I have lived at the same address -- about a quarter mile from this site -- for 17 years and have never before opposed a liquor license anywhere.

The operators at this gas station are inconsiderate and demonstrate little respect for the neighborhood. This store is chronically understaffed, offers no amenities (even the barstools have been removed to inhibit lingering over a cup of coffee), a gross littered nuisance, and a magnet for negative activity.

Like the minimal staffing, the management at this franchise makes stingy, shortsighted decisions that affect us all. For example, they have no landscaping to reduce lake water contamination and they charge for compressed air even though they are right on the bike path.

Additionally, the store has offered no provisions or amenities to support the neighborhood's acquisition of affordable housing. Indeed, they have inflated pricing for pantry basics -- exploiting their neighbors on foot with the convenience pricing traditional for gas buyers.

Finally, a vast majority of their peer businesses are charitable with our high school and Madison's social service programs, organizing in-kind and monetary donations whereas they are conspicuously absent.

I have no faith in them to responsibly vend anything and hope that they soon sell to someone who will.

Thanks for hearing me and for your service to Madison,

Juliet Page

To the Alcohol Licence Review Committee, Alder Vidaver, and Attorney Atterholt:

I live several blocks from the intersection where this 7-Eleven is located at 2216 University Avenue and I pass by it on foot, bike, bus, or car almost daily. I am writing to voice my opposition to the granting of an expanded liquor license for this 7-Eleven store for the following reasons:

1) Over the last year or two, the neighborhood has noticed an uptick in ambulance and police incident calls to the parking lot of the 7-Eleven/gas station at this site. I am not aware of the nature of those calls, but the increase in occurrences has been remarkable. I don't think the addition of more alcohol sales into this context--especially on a stretch of street (Old University) that already has a dedicated and long-standing local liquor store (Miller's Liquor) just one block away from the 7-Eleven, as well as several bars, restaurants, and cafes that sell alcohol on this stretch--is advisable or desired by neighbors.

2) This site is directly adjacent to a housing complex and a behavioral health clinic (Anesis Therapy) that house and serve vulnerable populations, including young children and teenagers. It is not uncommon to see pedestrians, including the young residents, hanging out and recreating adjacent to and sometimes in the parking lot of the 7-Eleven. Further drawing additional access to grab-and-go alcohol in this already alcohol-dense corridor, especially directly next to this residential complex with young children and teens, would be a poor decision.

3) The parking lot of this 7-Eleven has become a regular gathering place for large groups of motorcyclists who start their evening riding in and around the neighborhood (Campus Dr. and University Ave.) from this spot. Some of these joyrider gatherings have been associated with speeding and excessive noise (many other drivers through the neighborhood also speed, which has been reported repeatedly to the MPD and city officials). Providing another opportunity at this location to add more alcohol to the mix seems unwise and could exacerbate the speeding and reckless driving we already encounter in our neighborhood on a daily basis.

4) I have entered and made purchases at this 7-Eleven over the years when I have stopped for

gas at this station (I believe it used to be another chain). The people who currently work there are friendly, but the atmosphere of this 7-Eleven itself--its lighting, upkeep, general quality, and surroundings with litter strewn about--has become increasingly seedy and unwelcoming. I have been in the store when clearly intoxicated people (customers? neighbors?) were hanging out inside and making unsolicited comments to other customers. Will adding "a selection of wine products" help with this situation?

Our neighborhood and the people in it, including the people who live directly adjacent to this site, deserve better than this. I don't think we should be expanding alcohol offerings in a store that already seems to be struggling and isn't showing a level of care that would indicate an understanding of the values and concerns of the neighborhood.

Thank you for considering my comments. Please deny the expanded liquor license for this location in the neighborhood.

Thank you,  
Lisa MacKinnon

Dear ALRC Members,

I am writing regarding your October 15, 2025 meeting agenda Item 12, legistar 88503. I oppose the expansion of the liquor license for 7-Eleven/BP Gas Station at the corner of Walnut and University Ave.

As background, I was the alder for District 5 from 2009 to 2021 and during that time I had the privilege of serving on ALRC for 10 years.

This 7-Eleven store and gas station is extremely poorly managed, understaffed and ill-maintained. It is located in a high alcohol density area with a liquor store, establishments that sell wine (Pasture and Plenty and Barriques) and a number of bars and restaurants within 1-3 blocks. There is absolutely no need for additional alcohol access, even if it is "just adding wine", in the area and certainly not at this location. They already sell beer and that is more than enough. I ask you to please deny their application as it is contrary to the public health and safety of the community.

Thank you for your service and dedication to our city,

Shiva Bidar

# EXECUTIVE SUMMARY

Baked Lab is an innovative bakery specializing in high-quality pastries, a thriving wedding cake business, and community baking workshops. Located in Madison, WI, The Baked Lab blends classic flavors with modern aesthetics, creating a unique brand experience under the mission: *"Classic treats. Modern vibes."*

With a strong commitment to inclusivity and equity, we are now expanding by leasing and renovating a historic 1926 building on Atwood Avenue that has been vacant for nearly a decade. This expansion will allow us to scale production, enhance customer experience, and deepen community engagement. To support this growth, we are seeking financing to fund the renovation, additional equipment acquisition to compliment our already functional commercial equipment,, and working capital.

## Products

Behind every occasion is a story. That sentiment remains true in the dessert world, as well. It's been said by many people in a number of ways, "The shortest distance between two people is a well-told story," and The Baked Lab believes strongly in food's ability to tell stories, break barriers, build bridges and unite.

The Baked Lab is a small-batch, From-Scratch bakery offering a variety of wedding/celebration cakes, Varying desserts, a small selection of savory items, wine and beer, and community-focused baking workshops. We believe that your cake should taste as good as it looks and that means real ingredients, including all the butter and sugar your heart can handle.

## Industry Considerations

According to the america bakers society, "Bakers are found in all 50 states, in the District of Columbia and Puerto Rico. The baking industry employs almost 800,000 skilled individuals, generates over \$42 billion in direct wages, and has an overall economic impact of over \$186 billion."

According to an IBISWorld Report, "The market size of the Bakery Cafes in the US has grown at a 5.0% CAGR between 2018 and 2023." and continues to trend upwards. In a world of uncertainty, dessert brings joy and a sense of short-term escapism.

From our humble start in 2019 to our current operation, we have seen significant growth year after year and anticipate this trend to continue. The Baked Lab looks to continue exploring ways in which to elevate our community through increased engagement opportunities, locally sourced hand-crafted products, and local collaborations.

## Future of the Company

Over the past several years, Baked Lab's revenue has grown from \$39,676 in 2021 to just under \$192,000 in 2024. We are excited to embark on our next chapter, moving from our hidden studio kitchen to a well-accessible storefront in a thriving neighborhood. We see a bright future for our business with continued growth, new job opportunities, and many more community connections in the years to come.

# SAFETY AND SECURITY PROCEDURES

Your safety and the security of your personal property are of the utmost concern to those of us who welcome you as our guest. We urge you to take advantage of the following suggestions:

## YOUR VEHICLE

Lock your vehicle and do not leave money or valuable items (e.g. Radar detector, car phone) visible inside. We are not responsible for loss.

## TRAVELING

Be observant when sight-seeing or traveling. Stay in well-lit and heavily-traveled areas. Don't display large amounts of cash.

## GUEST ROOM SECURITY

For additional security, utilize the deadbolt provided on your door upon entering, and secure windows and sliding glass doors. This will prevent the door from being opened by a regular room key. As an additional precaution, please secure the safety chain lock and keep your windows closed and locked. Do not admit persons to your room without first making identification. A one-way viewer is provided in your door for your convenience. If there is any doubt about a person's true identity, please contact the desk.

## KEYS

Safeguard your key and leave it with the cashier at checkout. Do not leave it in your room or in the door. Do not give your key to others or leave your key unattended.

## REPORTING

Please report any suspicious activity or malfunctioning locks or security equipment to management.

## FIRE

Please familiarize yourself with the location of the nearest fire exit stairway. Report fire or smoke to the hotel operator. In the unlikely event of a fire, please move quickly but calmly to the stairs and exit the building. Avoid use of elevators.

We hope that these procedures will contribute to your comfort and well-being during your stay at our hotel.

### Chapter 254.80 Hotelkeeper's liability.

(1) A hotelkeeper who complies with sub. (2) is not liable to a guest for loss of money, jewelry, precious metals or stones, personal ornaments or valuable papers which are not offered for safekeeping. (2) To secure exemption from liability the hotelkeeper shall do all of the following: (a) Have doors on sleeping rooms equipped with locks or bolts. (b) Offer, by notice printed in large plain English type and kept conspicuously posted in each sleeping room, to receive valuable articles for safekeeping, and explain in the notice that the hotel is not liable for loss unless articles are tendered for safekeeping. (c) Keep a safe or vault suitable for keeping the articles and receive them for safekeeping when tendered by a guest, except as provided in sub. (3). (3) A hotelkeeper is liable for loss of articles accepted for safekeeping up to \$300. The hotelkeeper need not receive for safekeeping property over \$300 in value. This subsection may be varied by written agreement between the parties.

Notwithstanding the hotelkeeper's liability laws, a hotel continues to have a duty to exercise reasonable care to protect its guests from injury at the hands of third persons who are not hotel employees, and to protect a guest who is subjected to a criminal act during the process of checking in. As the provisions for notice and a safe are no longer useful for a guest who has checked out, they cannot help a guest who has not even penetrated the interior of his room and had a chance to use them. H.K. Mallak, Inc. v. Fairfield HMC Corp. 209 F3d 980 (2000).

### 254.81 Hotelkeeper's liability for baggage; limitation.

Every guest and intended guest of any hotel upon delivering to the hotelkeeper any baggage or other property for safekeeping, elsewhere than in the room assigned to the guest, shall demand and the hotelkeeper shall give a check or receipt, to evidence the delivery. No hotelkeeper shall be liable for the loss of or injury to the baggage or other property of a hotel guest, unless it was delivered to the hotelkeeper for safekeeping or unless the loss or injury occurred through the negligence of the hotelkeeper.

254.82 Liability of hotelkeeper for loss of property by fire or theft; owner's risk. A hotelkeeper is not liable for the loss of baggage or other property of a hotel guest by a fire unintentionally produced by the hotelkeeper. Every hotelkeeper is liable for loss of baggage or other property of a guest caused by theft or gross negligence of the hotelkeeper. The liability may not exceed \$200 for each trunk and its contents, \$75 for each valise and its contents and \$10 for each box, bundle or package and contents, so placed under the care of the hotelkeeper, and \$50 for all other effects including wearing apparel and personal belongings, unless the hotelkeeper has agreed in writing with the guest to assume a greater liability. When any person permits his or her baggage or property to remain in any hotel after the person's status as a guest has ceased, or forwards the baggage or property to a hotel before becoming a guest and the baggage or property is received into the hotel, the hotelkeeper holds the baggage or property at the risk of the owner.

(2) is not liable to a guest for loss of money, jewelry, precious metals or stones, personal ornaments or valuable papers which are not offered for safekeeping. (2) To secure exemption from liability the hotelkeeper shall do all of the following: (a) Have doors on sleeping rooms equipped with locks or bolts. (b) Offer, by notice printed in large plain English type and kept conspicuously posted in each sleeping room, to receive valuable articles for safekeeping, and explain in the notice that the hotel is not liable for loss unless articles are tendered for safekeeping. (c) Keep a safe or vault suitable for keeping the articles and receive them for safekeeping when tendered by a guest, except as provided in sub. (3). (3) A hotelkeeper is liable for loss of articles accepted for safekeeping up to \$300. The hotelkeeper need not receive for safekeeping property over \$300 in value. This subsection may be varied by written agreement between the parties.

Notwithstanding the hotelkeeper's liability laws, a hotel continues to have a duty to exercise reasonable care to protect its guests from injury at the hands of third persons who are not hotel employees, and to protect a guest who is subjected to a criminal act during the process of checking in. As the provisions for notice and a safe are no longer useful for a guest who has checked out, they cannot help a guest who has not even penetrated the interior of his room and had a chance to use them. H.K. Malak, Inc. v. Fairfield FMC Corp. 209 F.3d 960 (2000).

**254.81 Hotelkeeper's liability for baggage: limitation.**  
 Every guest and intended guest of any hotel upon delivering to the hotelkeeper any baggage or other property for safekeeping, elsewhere than in the room assigned to the guest, shall demand and the hotelkeeper shall give a check or receipt, to evidence the delivery. No hotelkeeper shall be liable for the loss of or injury to the baggage or other property of a hotel guest, unless it was delivered to the hotelkeeper for safekeeping or unless the loss or injury occurred through the negligence of the hotelkeeper.

**254.82 Liability of hotelkeeper for loss of property by fire or theft; owners' risk.**  
 A hotelkeeper is not liable for the loss of baggage or other property of a hotel guest by a fire unintentionally produced by the hotelkeeper. Every hotelkeeper is liable for loss of baggage or other property of a guest caused by theft or gross negligence of the hotelkeeper. The liability may not exceed \$200 for each trunk and its contents, \$75 for each valise and its contents and \$10 for each box, bundle or package and contents, so placed under the care of the hotelkeeper, and \$50 for all other effects including wearing apparel and personal belongings, unless the hotelkeeper has agreed in writing with the guest to assume a greater liability. When any person permits his or her baggage or property to remain in any hotel after the person's status as a guest has ceased, or forwards the baggage or property to a hotel before becoming a guest and the baggage or property is received into the hotel, the hotelkeeper holds the baggage or property at the risk of the owner.

Hi —

Thanks for sharing your feedback and I hope you feel better soon.

I did have the opportunity to get an update from MPD and spoke with someone from the business as well. As I understand it:

- They intend to sell one or two brands of beer only, behind the counter.
- They would limit sales to two beverages per room.
- Sales would be for motel customers only.

I am going to recommend these notes to the ALRC as it's also what MPD recommends.

Please let me know if this helps to alleviate concerns you and others have on the thread and if you'd like to discuss further? I'm always open to hearing more feedback.

Hi, Sabrina,

I apologize this email is so late--I've been fighting the flu since last week. As a homeowner and resident of District 17, I wanted to put in writing my opposition to Econolodge's application for a Class B Liquor & Beer License.

I oppose adding more liquor licenses to this particular area, especially as it is so close to residential neighborhoods/lots of children and the motels/hotels already have issues with emergency calls.

I included my neighbors who are also opposed to this license application in case they want to reply with their own thoughts.

Thank you for your representation, as always!

Best,

Philippa

### **Business Plan**

Class B Beer License Application

Dill Dinkers Madison

5004 Tradewinds Parkway  
Madison, WI 53718

## Company Background

Dill Dinkers Madison is a franchisee of Dill Dinkers Pickleball Clubs, owned and operated by Mike & Friends LLC. The company is led by Zach Feldman and Damon Colella, experienced operators with backgrounds in business, operations, and community building. To ensure strong local ties, the business has hired an on-site operator who is a Madison resident with community and recreational experience.

Dill Dinkers is a growing national franchise with a proven business model. Our Madison location is the 21st Dill Dinkers club to open, with hundreds more in development across the country.

## Executive Summary

Our mission is to connect people through the game of pickleball while providing a top-quality recreational and social experience.

Dill Dinkers Madison operates seven days a week, from 8 AM to 10 PM, offering year-round pickleball programming. Beer sales will be incidental to our primary business of pickleball and community programming, intended only to enhance the social aspect of play and private events.

## Business Description & Operations

**Core Offerings:** Pickleball (open plays, leagues, lessons, tournaments, court rentals, and memberships).

**Ancillary Services:** Private events, merchandise, sponsorships.

**Staffing:** The business has created 15+ local jobs, including front desk staff (“Big Dill Ambassadors”), operations managers, and coaches.

**Alcohol Storage & Service:** Beer will be stored in a refrigerated cooler behind the front desk, accessible only to trained staff. All sales will be controlled and staff-monitored. Future expansion may include taps, but service will always remain staff-controlled and never self-serve.

## Market & Community Need

Pickleball is the fastest-growing sport in the United States, and Dane County has a strong player base with limited indoor options. Our facility not only fills the need for year-round play during the winter but also provides structured, inclusive programming:

- Organized open plays where participants are matched by skill level.
- Events and leagues that are both competitive and social, with clear expectations.
- A welcoming environment where new players can learn and integrate into the community — unlike park play, which is often unstructured.

Adding beer service enhances the experience by supporting the social atmosphere before and after play and during private events.

## **Compliance & Responsible Service**

- All staff serving beer will complete Wisconsin's Responsible Beverage Server training.
- Valid ID will be required for every purchase.
- Service will be refused to intoxicated individuals.
- Beer is never permitted on courts. It may only be consumed in designated lounge and social areas of the facility.
- Alcohol sales will be controlled, limited, and secondary to pickleball programming.

## **Financial Overview**

- Dill Dinkers Madison is a privately funded franchise investment with stable revenue streams from memberships, court rentals, leagues, and events.
- Beer sales are expected to account for less than 5% of total revenue, reinforcing that alcohol is incidental and not core to the business model.
- The facility projects over \$1M annually in revenue, primarily from pickleball operations.

## **Community Benefit**

Dill Dinkers Madison is committed to serving as a community hub:

- Creation of 15+ local jobs.
- Hosting school groups, fundraisers, and charity events.
- Providing a safe, family-friendly, and inclusive environment for recreation.
- Supporting Madison's growing pickleball community by offering year-round play and organized programs.

## **Conclusion**

Dill Dinkers Madison respectfully requests approval for a Class B Beer License to responsibly serve beer in a manner that complements our core mission: building community through pickleball. We are committed to safe practices, strict compliance with all laws, and contributing positively to Madison's recreational and social offerings.

Cynthia Perry has been a patient with Madison East CTC for several years, remains in recovery and is 100% sober.

I continue to see and witness the good Cynthia brings to others as they work toward personal growth in their life.

Cynthia remains committed to self and is leader for others each day.

Sincerely,

Kurt Hermesen
