Re: Agenda Items 5a #47573 and 5b #47980: Village on Park

The Village on Park has had several incidents with water issues and significant water damage occurring in July 2016. The corrective measures currently being taken in the alley of the Village on Park is vitally important to the future of this building and the sustainability of our tenants.

Therefore, I am requesting the commission approve this resolution to amend the CDA budget to cover the cost \$72,928.10 to be used for storm sewer, waterproofing and HVAC work.
