

Circulate + return to Kevin F.

Comments  
Robin Appleby

- 2002 Waunona Way - Major alteration to a conditional use to allow an addition to a single-family residence on a lakefront lot
- 6018 North Highlands Avenue - Demolish single-family home and construct new residence
- 609 North Lake Street - Conditional use to convert lodging house/apartment into 3-unit apartment building

ANNOUNCEMENTS

ADJOURNMENT

- ① Developer Norton keeps requesting changes to originally approved plan. When we bought our condos we were told "upscale shopping" with no drug stores, drive thru restaurants, bars.
- ② This body approved a change to retail w/ 30 condos on an upper level. When the condo market fell, Norton withdrew that plan.
- ③ A year ago this group said a one-year moratorium on Norton's drive thru request.
- ④ He already built it, and it is not yet approved.
- ⑤ So once again we come to you asking you to keep the original plan to generate the neighborhood, and NOT approve his request.
- ⑥ The traffic, litter, parking, and safety issues that a drive thru in this complex would cause would negatively impact the residents.
