Business Plan

Frances Street Market

Frances Street Market is a restaurant and convenience store that makes and sells gourmet food items.

Our top selling food items are the breakfast sandwiches, the pizzas, the cheese steaks, and the tacos.

We want our dine-in customers to be able to enjoy a bubbly mimosa with a breakfast sandwich, a glass of wine with a pizza, or a cold beer with the spicy tacos!

We do not want to serve any hard alcohol and we will not serve any alcoholic drinks unless food items are also ordered on the same ticket. WAdditionally, alcohol will not be served with any to-go orders.
