Re: Willow Drive Mounds Habitation Site Complex National Register of Historic Places nomination

Ms. Veregin,

The City of Madison Landmarks Commission is pleased to review, and enthusiastically support, the nomination to list the Willow Drive Mounds Habitation Site Complex on the National Register of Historic Places.

The nomination shows that the Willow Drive Mounds Habitation Site Complex is eligible for listing on the Wisconsin State Register and the National Register by being significant as a property that contains information important in prehistory or history related to two periods of significance. The Commission noted the importance of the identification of these sites in the continued effort to protect cultural landscapes.

Thank you for the opportunity to provide comments.

Sincerely,

Stuart Levitan
Landmarks Commission Chairperson
