## Entertainment and Security Information

Live entertainment includes (check all that apply): ☒ Live Music ☒ Disc Jockey ☐ Designated Dance Floor  
*Live entertainment does not include non-amplified or acoustic music performed by a single artist, or performances where an uncompensated patron sings along with a machine that plays pre-recorded music, commonly known as karaoke.*

Type of live entertainment to be offered: PO's, COMICS, SMALL JAZZ BANDS.

Number of security personnel and how they will be utilized: NONE  
being that these shows will be alongside dinner, security will be our typical restaurant staff, and will fall to the MOD.

Description of clothing to identify security personnel: N/A  
Staff will be in their regular work uniform, and will be easily identified in the restaurant.

Plan to handle control and clearance of the parking lot during hours of operation and at closing time:

Management will supervise the lot, and we will have <sup>N/A</sup> security cameras with full view of the lot. On busy nights staff will be designated to ensure orderly entrance and exit at open and close.

How will the entrance line be managed and controlled: The entrance will be managed by our host;  
guests will be greeted, and either head to an open seat at the bar, or will be guided by the host to their dining table, similar to any other dining experience.

Plan for unruly patrons, intoxicated patrons, and physical disturbances: N/A

Unruly or intoxicated patrons will be identified and managed <sup>Text</sup> by our bar staff, per Responsible Service guidelines. We wouldn't anticipate having any more of these incidents than a typical restaurant, but have completed our Alcohol Manager Certification, and will handle them per the guidelines.

Underage drinking and fake ID plan: N/A  
ID's will be checked for anyone appearing to be under 40. ID's deemed to be fake after a visual check will be confiscated long enough to contact the authorities.

Plan to control and supervise patrons under twenty-one (21) years of age: N/A  
Being that this is a high end restaurant and not a club with a dance floor, patrons will be easy to keep tabs on while they dine at their tables. Servers and bartenders will keep an eye on their patrons, and managers will keep watch over the facility.

How will orderly appearance and operation of the premises be maintained in regard to litter and noise:  
Restaurant staff will have clean up duties as part of closing work; the <sup>N/A</sup> patio, parking lot, and interior of the restaurant will be cleaned daily, and litter will be picked up daily as well. We don't anticipate crowds at really any point as guests will mostly arrive at, and leave at different times depending on when their meal begins and ends.
