

Sherman Shabazz Public Improvements

General Information

MUNIS No: 16157
Contract No.: 9633
Project Engineer: Ryan Newman
Project Alder: Alder Julia Matthews (AD 12)
Project Limits: N Sherman Ave & Ruskin St

Utilities

This segment of our infrastructure has been prioritized as a candidate pipe for replacement due to its notable history of breaks/leaks. This project is also a necessity in coordination with the improvements to Sherman Middle School & Shabazz High School. The construction should only take a month to complete and will require minor work in the street. This work will be coordinated with the contractor who will be performing the work for Shabazz High School to minimize delays.

Water System Impacts

During construction the existing water main will be out of service. This work has been coordinated with Sherman Middle School & Shabazz High School to mitigate any disruptions due to the related outages.

Costs:

Total Cost: \$ 225,000
Assessments: \$ 0
Water: \$ 225,000 (Includes road restore)
Engineering: \$ 0
City Cost: \$ 225,000

Schedule:

Advertise for Bids: April 2026
Construction Start: June 2026
Construction End: August 2026
