Subject: Plan Commission: Support for Hotel Red change

To the Plan Commission:

I support Hotel Red's change of licensed premises to have an outdoor seating area in the front of the hotel. We had a neighborhood meeting about this. The neighbors were supportive and the Vilas Neighborhood Assn voted in favor of this change.

I know there has been controversy about this project in the past. However, the new owners are doing a great job. Neighbors who I know were unhappy with the proposal in the past have changed their minds.

We look forward to the success of this new business in our neighborhood.
