**Categories:** Red Category

Good Morning,

I recently shopped in Harley's Liquor on Monona Dr. and the employees were explaining to me that Walgreen's next door to Harley's was applying for a liquor license. I would like to complain to you about approving a liquor license for that specific Walgreen's on Monona Dr./Cottage Grove Rd. I am a Monona resident and volunteer for the Monona Chamber of Commerce so I am involved with local Monona business owners. There is not a need for liquor to be served at that specific Walgreen's due to Harley's Liquor is located right next door to the store. If a customer wants to buy their liquor at Walgreen's, they can drive another mile down Monona Dr. to the Walgreen's on Monona/Pflaum to buy their liquor. I don't see the necessity of stocking the Walgreen's on Monona/CG with liquor when there is a nice, locally owned liquor store right next door. Please consider the damage that will occur to this nice neighborhood liquor store when the big dog (Walgreen's) next door decides to sell liquor too. Please take my complaint as a Monona resident into consideration. Thank you, Michelle Matts
