RAMEN HISTORY

Contrary to popular belief, ramen originated in China before traveling into Japan and Japanese cuisine. Some believe that "ramen" is the Japanese pronunciation of the Chinese word "lamian," meaning "hand-pulled noodles." Nearly every region in Japan has its own variation of ramen; while you wait for your ramen, please refer to our "Ramen Map" to know more about the Ramen Culture. Slurp up!

Strings Ramen Business Plan

Strings Ramen is a Japanese gourmet noodle shop, we are specialized in Japanese authentic ramen.

Besides making ramens, we also sell beverages include Asian beers and Japanese rice wines aka Sake.

Our business hours are 11:00 am to 10:00 pm daily, our restaurant has 50 seats, 80 - 90% of our sales are food, and 10 - 20% of sales are from beverages.

Every customer who ask for alcohol beverage will be asking to show ID to prove their age.

We are hoping to continue sell beer and wine to increase our daily sales.
