**REASON FOR REQUEST**

**WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:**  
Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

The City of Madison uses a centralized traffic control system called "Centrac" from Econolite. Traffic Control Corporation is the regional distributor and provides technical support for Econolite products and systems. This Service Maintenance Agreement is to extend our licenses and service support for our existing Centrac system. They are the only vendor for this product which we use as our way to change, monitor, and generally operate our traffic signals and signal control systems.
