That'll do!

You will be the fourteenth person called on during the public comment section of the meeting this evening. All of the meeting information, including the agenda and the zoom link, is on the city website:

<https://www.cityofmadison.com/clerk/meeting-schedule/police-and-fire-commission-107>

Please make sure that you use your own name as the Zoom screen name to make it easier for the chair to recognize and unmute you. Just like last time (and unlike other city meetings) you will control your own camera.

Dear Mr Ryan,

You will need to either submit the registration form or answer the questions from the form in the body of an email before being recognized to speak.
