

March 5, 2012

The Sprecher East Neighborhood Association Board held a vote its Board members to determine if Sprecher East Neighborhood Assoc. should either support or oppose the proposed Grandview Commons, Copps Food development.

The Board split with 2/3rds in favor of the development and 1/3 opposed. Given the vote was not unanimous it was decided that the Sprecher East Board would take no stance the Grandview Commons development.

Respectfully submitted,

Dave Lytle  
Sprecher East Neighborhood Association,  
At-Large Board Member
